HYPAR

9000 HyPar Gloss, 2K Auto Transport Finish

*"Trucks, Trains, Planes and Cranes
Buses, Boats, Bikes and Trikes
Diggers, Graders, Dozers and Posers
Cars, Copters, Choppers and Loppers
Signs, Designs, even Fine-lines."*

- Specifically designed to have outstanding gloss directly off the gun on all shapes and angles.
- HyPar has excellent overnight through cure even when applied at thick film builds. Making it easy to handle and assemble components the next day.
- The very latest in Part A & Part B polyurethane technology. Outstanding Gloss, Hardness & Durability.
- HyPar Gloss--White, Black, Colours & Clear
